**Rev. Lyle Shipley**

Rev. Shipley is an Ordained Elder in the Oklahoma Annual Conference of the United Methodist Church. He is currently appointed as President and CEO of Hinton Rural Life Center in Hayesville, NC. He and his wife, Pennie, have two grown daughters and a son who went to be with the Lord at the age of ten. Lyle brings a wealth of experience and practical knowledge of missions work for the small, rural church. The small church has a vital place of ministry in its local community. Every summer, mission projects are identified in surrounding communities and assigned to church mission teams who come from all across the Eastern United States. The teams are housed, fed, and provided materials and supplies to meet the tasks. Lyle says it's one thing to see pictures of mission work, but another to see your face in the picture.

# The Great Commission

When Jesus gave the church the Great Commission He told us to begin in our hometown — then “go” beyond it into the uttermost parts of the world. We, at HUMC, have begun a very good work in our hometown. Our next step is a vision for missions outside of our territory. Jabez prayed, “expand my territory.” Let us consider and pray this Mission **Revival** to be a launching pad to go beyond ourselves; to apply our faith and talents for the good of others beyond Towns County; and to trust God for the energy and resources needed to meet the task He places before us. **Revive** us again!

**REVIVAL** can only happen in the church and in our community and nation when it first begins in the believer. To revive means to bring back alive, to restore life. Evangelistically, it means a new awakening within the spiritual life of the Christian and in the Body of Christ- the CHURCH.

Our Nation needs **REVIVAL** more than any time in history. Our voices need to be raised for the glory of God and His Son, our Savior and Lord. We must be bold and courageous.

**“GO” and make disciples**

*REVIVAL  
is about a  
renewal in  
our passion  
and our  
relationship  
with a  
Person -  
Jesus Christ.*

They are both ordained ministers and graduates of Christ For The Nations Institute in Dallas, Texas. Both have been involved in foreign missions for several years. They served in Central America (Mexico, Guatemala, El Salvador, Panama), Southeast Asia (Thailand, Laos, Malaysia, Indonesia), and on the Navajo Indian reservation here in the United States. They believe in empowering indigenous leaders to carry the message of the Gospel into their native lands. Jeff
